New Freedom of Information Act Request Documents Released by ODNI

August 3, 2016

The Office of the Director of National Intelligence is one of seven federal agencies participating in a pilot program to make records requested via the Freedom of Information Act more readily available to the public, as reflected in the recently released [Third National Action Plan for Open Government](#).

Over the course of the pilot, ODNI will note the release of new “proactive disclosure” documents here on IC on the Record. Documents posted to DNI.gov today include:

- [Monthly briefings to Congress regarding suitability and security reform \(07-19-16\)](#)
- [Processing notes, responsive documents, and search slips regarding DF-2015-00097 \(06-27-16\)](#)
- [Annual IC Employee Climate Survey for 2012, 2013, 2014 & 2015 \(06-16-16\)](#)
- [IG ACTS Case 2015-19562: The standard documents found in this ACTS case \(06-10-16\)](#)
- [Jason Report: JRS-09-510 “North Korea Centrifuge Capabilities \(06-09-16\)](#)
- [The Insider Threat Classification Guide, from the National Counterintelligence and Security Center \(NCSC\) \(06-08-16\)](#)
