To assist me in recalling the provisions of my continuing obligations, I have been advised that an unsigned copy of the NSA Security Agreement that I previously executed is available for review.

1. I reaffirm my understanding that protected information is information obtained as a result of my relationship with NSA which is classified or in the process of a classification determination pursuant to the standards of Executive Order 12958 or any successor order, and implementing regulations. It includes, but is not limited to, intelligence and intelligence related information, sensitive compartmented information (information concerning or derived from intelligence sources and methods), and cryptologic information (information concerning communications security and signals intelligence, including information which is also sensitive compartmented information) protected by Section 798 of Title 18, United States Code.

2. I understand that I must return to the government all protected information to which I may have obtained access during the course of my employment or other service with the NSA.

3. I reaffirm my agreement to submit for security review in accordance with NSA/CSS Policy 1-30 "Review of NSA/CSS Information for Public Release," all information or materials, including works of fiction that I have prepared for public disclosure which contain or purport to contain, refer to, or are based upon protected information, as defined in paragraph 1 of this Termination Statement. I understand that the term "public disclosure" includes any disclosure of protected information to one or more persons not authorized to have access to it. In addition, I reaffirm my agreement:

- (a) To submit such information and materials for prepublication review.
- (b) To make any required submissions prior to discussing the information or materials with, or showing them to anyone who is not authorized to have access to them;
- (c) Not to disclose such information or materials to any person who is not authorized to have access to them until I have received written authorization from the NSA that such disclosure is permitted; and
- (d) To assign to the United States Government all rights, title and interest and all royalties, remuneration, or emoluments of whatever form that will or may result from any disclosure, publication, or revelation of protected information not consistent with the terms of the NSA Security Agreement I previously executed.

I understand that the purpose of the prepublication review procedure is to determine whether material contemplated for public disclosure contains protected information and, if so, to give the NSA an opportunity to prevent the public disclosure of such information. I understand that the NSA is obligated pursuant to the NSA Security Agreement, and in accordance with the terms of NSA/CSS Policy 1-30 to conduct the prepublication review in a reasonable time, to consult as necessary with me through the review process, and to provide an opportunity for me to appeal initial review determination. I also understand that, as is necessary to conduct my personal affairs, I may reveal unclassified information as to where I was employed, assigned, or detailed with the NSA, the generic nature of my employment, assignment or detail in accordance with the descriptions provided for in NSA/CSS Policy 1-30 and the amount of salary I received in connection therewith. I understand that I should exercise discretion and care in revealing such information and that by revealing such information I have not violated the NSA Security Agreement I previously executed.

4. I recognize that my exposure to protected information makes me a potential target for exploitation by foreign powers. I affirm that I will immediately report to the proper authorities any attempt to solicit protected information by a person not authorized by the United States Government to receive such information. If in the United States, I understand I may report such activities to the NSA Associate Directorate for Security and Counterintelligence (ADS&CI) or the Federal Bureau of Investigation. If in an overseas area, I understand I may report such activities to the Chief or Security Officer of an NSA field station, to the commander of any U.S. military installation, or to a Security Office of the Department of State.

5. Unless I am a contractor affiliate, I understand that for a two year period beginning on the date that I sign this document, in accordance with 50 U.S.C. 3073a and NSA/CSS Policy Issuance 5-0001, I must report to ADS&CI using the email alias DI Q31 foreignreports@nsa.gov any direct employment by, representation of, or the provision of advice relating to national security to the government of a foreign country or any person whose activities are directly or indirectly supervised, directed, controlled, financed, or subsidized, in whole or in major part, by any government of a foreign country. My signature on this document indicates my understanding of this reporting requirement.

6. I understand that because I have access to protected information, my travel through foreign areas may pose a certain risk to national security. I realize that although I am no longer obligated to report foreign travel to the ADS&CI, the risk incurred in traveling to certain areas, from both a personal safety and a counterintelligence standpoint, remains high. This paragraph does not apply to individuals who remain in an employee status whose eligibility for access has been suspended or whose eligibility for access has been revoked and subsequently appealed.

7. On the occasion of the termination of my access to protected information, I acknowledge I have read this Statement and my questions, if any, have been answered. I certify that the debriefing officer made available Sections 641, 793, 794, 798, 952, and 1924 of Title 18, United States Code; Section 3121 through 3126 and 783 of Title 50, United States Code, Public Law 88-290, pertinent sections of Executive Order 12958 or any successor order, and NSA/CSS Policy 1-30, "Review of NSA/CSS Information for Public Release" so that I may read them at this time, if I so choose. Also, I have been given a copy of Prepublication Guidelines explaining the procedures for submitting materials for security review, in accordance with NSA/CSS Policy 1-30.

8. These restrictions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights or liabilities created by Executive Order 12958; Section 7211 of Title 5, United States Code (governing disclosures to Congress); Section 1034 of Title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); Section 2302(b)(1)(B) of Title 5, United States Code as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 USC 3121 et seq.) (governing disclosures that could expose confidential Government agents), and the statutes which protect against disclosures that may compromise the national security, including Sections 641, 793, 794, 798, 952, and 1924 of Title 18, United States Code and Section 4 (b) of the Subversive Activities Act of 1950 (50 USC Section 784). The definitions, requirements, obligations, rights, sanctions, and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

Ms. Prisca,

I wanted to thank you for the letter of my heart for your kindness. The card is breathtakingly gorgeous and brought light to my day. I wish I could, light, send you, as my own calling, a small piece due to Hurricane Irma and the storm and hitting in Georgia. But dinner was pretty delicious and good, so I decided that I'm grateful to be able to mention my speciality here with regards to my diet. I can use a Casserole in Renta Stamp, and I think you'll mention.

You are in making a person to believe and believe your people and your own words. My faith in this world and that you are a person to be a friend. I hope you to bring in the you and, and all the things that you do.

Thank to Renta Stamp

I swear on my favorite shoes I'm writing back, but my mail takes 3+ weeks nowadays!! We should totally build ecohouses together in the future! I've got some big ideas for my piece of land in Texas, and am open to any visits! My stomach is in knots - we're requesting another detention hearing. I'm going to send a book down the hall with my GA address in case I'm out before this goes through the postal service. Kinky swear I'll send you letters and pictures if I get a bond. And a phone # I can be reached at.

The kitchens have been hooking us up lately. We hear from Rick that y'all don't get double patties or 2x cake like the women. I get canned tropical fruit 2x a day, and leftover grits from breakfast with peanut butter for lunch cause I still can't digest bread. It made me real sick, but I'd nibble on the crusts cause when that's what you get for lunch, it's what you get. But things have been so much better. I told Rosie O'Donnel in a phone conversation that we joke that when I get fruit, it's from her. He said she'd send crates of fruit if she could. I hope she visits.

Is it cold in your cell block? It's FREEZING here. I hate air conditioning, & it's not even warm outside anymore either!! Bye Summer, I think I've missed the Republican "climate change denial" stage to full-blown climate change enthusiast. $100^{\circ} + / 365 = \text{ETERNAL SUMMER}$. Bring it. Let's blow a hole in the ozone layer the size of Manhattan. hah. Banana crops in Wisconsin.

Now I'm just being silly. Sometimes, I do muscle up onto the guard rail of the top bunks. Up and over the rainbow, I'm going beast mode.

Anyway, fingers crossed, I'll be writing to you from Augusta soon. If not, I'll keep sending books your way. It's win-win, right?!!

THANK YOU for your kind words and support. The end is so close, my dear lady, and people like you inspire me to go on. I know that there is still goodness left in the world, and I'm looking forward to what ever comes. I'm ready for whatever comes. I'm strong, active, healthy, and strong by doing yoga and meditation. I'm a \$100,000 person in the money, but I'm not a millionaire. I'm a person for every race, every age, and every side, but I'm also a person, historically, things have been worse than people survive. Plus we have a lot of love, a lot of love, a lot of love, and I call my name like everything else, probably, I'll be! Huh.

I'll get the job done, cause I have to, but people like you make it so much easier.

Thank you so much for your kindness and support. Your card brought joy and light to an otherwise dark and damp day. We are being hit by Irma right now and it's been tough! I'm doing alright though my yuge and cresset keep me going and the staff help me keep my spiritual vegan-kosher diet. Lots of peanut butter, canned fruit and vegetables, and grits. Life could be worse - I used to donate to aid programs for Syrian refugees like the UNHCR and UNICEF so I really know life could be worse!

People like you are brave and compassionate. You make the world a better place.
