**RE: Demolition of Planters and Canopies at Building Exterior
270 Park Avenue, Manhattan, NY**

Dear Mr. Scheld:

MTA Metro-North Railroad (MNR) takes no exceptions to the referenced and attached submittal to perform selective demolition at the area indicated and via means and methods identified in the submittal.

This “takes no exception” letter makes reference to a 16 sheet document titled “*Demolition of Planters and Canopies at Building Exterior 270 Park Avenue, Manhattan, NY*”, dated 8/22/18, submitted via email from Tishman Construction Company, prepared for Tishman Construction Company, and signed and sealed by Professional Engineer, James Scheld, a Professional Engineer licensed in the State of New York.

All work must be coordinated with MNR Deputy Director – GCT Special Projects, James. M Harrington.

Should you have any questions, please contact me at harrington@mnrr.org or 212-499-4416.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Harrington", written over a horizontal line.

James M. Harrington, R.A.
Deputy Director – GCT Special Projects
MTA Metro-North Railroad
