John,

Per our t/c, attached is a redline and clean copy of the agreement.

I also put in today's date and you will need to insert the state where RR is incorporated in the first paragraph.

If acceptable, plz have RR execute and email back and once received, we will do the same.

As mentioned, as soon as this agreement is executed by both parties, ProEnergy is ready to immediately commence and close on the purchase of the units with GDF Suez.

Thanks,

Scott Dieball
