

The image contains two architectural drawings of a building. The top drawing is a plan view, likely of a roof, showing a grid of rooms. The grid is labeled with letters A through J along the top and bottom edges, and numbers 1 through 7 along the left and right edges. A central vertical corridor is marked with a dashed 'X'. Several rooms contain small square symbols, possibly representing doors or windows. The bottom drawing is a 'KEY PLAN' showing a similar grid layout, but with a different arrangement of rooms and corridors. It is labeled with letters K through A along the bottom edge. The text 'PLAN ON ROOF' is centered between the two drawings.
