

**FINAL CERTIFICATION BY FABRICATOR/ERECTOR
AS TO QUALITY OF STRUCTURAL STEEL
AS REQUIRED BY BUILDING CODE TABLE 10-1 FOOTNOTE C**

(NOTICE -This STATEMENT must be typewritten)

Peter Clark states that he is
(Name of Officer)

Project Manager of Canam Steel Corporation
(Title) (Name of Company)

a corporation with offices at 4010 Clay Street, Point of Rocks, MD, 21777
(address)

That the said Canam Steel Corporation
(Name of Company)

is engaged in the fabrication and erection of structural steel for buildings and other structures, and is
the subcontractor for Hudson Yards Construction, LLC
(Name of general contractor or owner)

to furnish, fabricate and erect the structural steel for Tower C
(Description of Job)

to be located at 501 West 30th Street, New York N.Y. 10001 according to the plans and
(Address of Job)

specifications of Michael Greene (RA# 018052) and Aine Brazil (PE# 062542)
(Name of Architect) (Name of Engineers)

That all of the structural steel sections required for this work have been furnished, fabricate and erected and that all of said structural steel sections that were furnished, fabricated and erected on this job meet the minimum requirements for structural steel as defined in the standard specifications of the A.S.T.M., A36-94 as referenced by New York City Building Code, Reference Standard RS 10-5A, Section AC.

That mill test reports and the certification of a recognized inspection agency are submitted herewith as evidence that the steel complies with such specifications.

That this statement is made pursuant to the requirements of the Department of Buildings and of Article 10, Table 10-1, Footnote (c), of the Administrative Code.

Signed Peter Clark / Project Manager
