Mr. Damian Titus  
Plan Examiner  
New York City Department of Buildings  
280 Broadway  
New York, New York 10007

Dear Mr. Titus:

Referring to the TR1: Technical Report Statement of Responsibility for this building (copies of which are enclosed), the Special Inspection category High-Pressure Steam Piping (Welding) BC 1704.18 is not required to be enforced as there is no High-Pressure Steam Piping designed or installed for use within the building. We respectfully request that this Special Inspection be removed from the application.

If you require further information, please do not hesitate to contact our office.

Very truly yours,

JAROS, BAUM & BOLLES
