RE: 501 W 30 St. Application # 9611

Your application number is 9611. Use this number to reference all future correspondence for this site.

Your Plan Review request has been received and is ready to review. You will be contacted by a member of the Forestry staff should changes need to be made to your plan. Upon the completion of the review you will receive 2 sealed copies of your site plan in the mail. Should you encounter issues with existing trees during construction you must contact the borough forestry office immediately.

PLEASE NOTE: If your application impacts any existing City tree(s), tree preservation and protection is required. Regulated activity requiring a DPR permit includes sidewalk, curb, and utility installation as well as site access. Failure to comply may result in a summons, fine and/or restitution.

**This is NOT a permit to perform any tree work or work adjacent to a tree.**

Thank you,
