Beste verzamelaar en liefhebber,

In uw handen heeft u de nieuwe veilingcatalogus voor Goud, Zilver & Sieraden, Kunst & Curiosa en Onderscheidingen & Militaria. Deze veiling vindt plaats van woensdag 22 t/m zaterdag 25 juni aanstaande. Voor de Aziatica, kunst en collectibles hebben we de woensdag en donderdag ingeruimd, voor het goud, zilver en sieraden de vrijdag. Tevens veilen we op deze vrijdag de onderscheidingen en penningen. Zaterdag 25 juni tenslotte is gereserveerd voor de militaria, een boeiend en groot verzamelgebied.

Deze veiling bevat circa 4800 kavels, van losse stukken tot grote dozen vol met moois. Dank aan onze inzenders! U vindt diverse interessante kunstobjecten waar onder een uitzonderlijke en privé collectie Aziatisch porselein met vele Chinese objecten inclusief een grote Jiajing lak opbergdoos, een indrukwekkend stel Delfts aardewerken tulipières (door Lambertus van Eenhoorn) etc. Daarnaast 2 schitterende schilderijen van Henk Helmantel, mooie en diverse juwelen en sieraden, 4 PK9 stoelen (ontworpen door Poul Kjaerholm), een collectie sportmemorabilia van de voetballer Willy van de Kerkhof, een gedeelte van de inventaris van het klooster Mill Hill, veel militaria waar onder veel posters uit WOII, onderscheidingen etc. Ja, zelfs een heuse en rijdende Rijkspolitiemotor uit 1969 kan van u worden! Blader maar eens door deze catalogus en laat u verrassen.

Het aantal kijkdagen is voldoende om iedereen de mogelijkheid te geven om goed te kijken, inclusief 1 avond (donderdag 16 juni tot 21:00 uur). We starten op woensdag 15 juni en eindigen op dinsdag 21 juni. Let erop dat tijdens de veilingdagen zelf NIET gekeken kan worden.

Nog steeds wennen: de kavelomschrijvingen zijn in het Engels dankzij onze aanwezigheid op diverse buitenlandse websites en onze groeiende buitenlandse klantenkring.

Tot slot: zoals altijd kunt u weer op alle kavels live meebieden via internet. Na registratie via www.ha-europe.com kunt u inloggen en meebieden. Ook kunt u hier uw schriftelijke biedingen doorgeven.
LET OP: bij het sluiten van de biedingen via onze website is het niet altijd zeker dat u op de veilingdag zelf de hoogste bieder bent, we moeten immers nog binnengekomen biedingen verwerken. De kans bestaat dus dat u alsnog overboden wordt zonder dat u daarvan op de hoogte wordt gesteld, houdt u daar rekening mee. Uw aanwezigheid tijdens de veilingdagen wordt uiteraard zeer gewaardeerd. Mocht u echter verhinderd zijn en kunt u niet via ons live computersysteem meebieden, dan voeren wij uw schriftelijke biedingen, zoals u dat van ons gewend bent, discreet en met zorg uit. Wellicht tot binnenkort en alvast succes met bieden!

Met vriendelijke groet,

Jacco Scheper, Huib Pelzer
en alle andere medewerkers bij Heritage Auctions Europe.

TIP

In deze catalogus staat een beperkt aantal kavels afgebeeld.
Als u naar onze website gaat (www.ha-europe.com) kunt u ALLE kavels afgebeeld zien!

Na 19 jaar met veel plezier bij MPO / Heritage Auctions Europe gewerkt te hebben neemt Deborah Meijer (Debs) afscheid van ons team. Ze gaat genieten van haar welverdiend pensioen. Deze sale is daarmee de laatste veiling dat ze ons kundig bijgestaan heeft bij administratie, verkaveling en andere zaken. We wensen haar veel plezier met haar vrije tijd en zullen haar zeker missen!

Debs, dank je voor de vele jaren, onze deur staat altijd voor je open!

The whole team of Heritage Auctions Europe

After having enjoyed working for MPO / Heritage Auctions Europe for 19 years, Deborah Meijer (Debs) says goodbye to our team. She is going to enjoy her well-deserved retirement. This sale is therefore the last auction that she assisted us with administration, cataloging and other matters. We wish her a lot of fun with her spare time and will certainly miss her!

Debs, thank you for the many years, our door is always open for you!

Heritage Auctions Europe Online

Online auction

Follow the auction at www.ha-europe.com. Here you can not only place your bids in advance, but also bid live during the auction.

In order to make full use of www.ha-europe.com you must register once. Processing your registration can take up to 1 business day, so do not wait until the last minute.

Absentee bidding

Instead of absentee bids, please use www.ha-europe.com to place your bids in advance. The system is fast and flawless and it has now been proven that the number of errors is lower than with the known handwritten bidlists. Another advantage is that you get instant feedback and the possibility to raise your bids if necessary. In addition, your bids are processed immediately. This can give an advantage up to 48 hours. Important if equal bids are placed!

Live bidding

We offer all of our lots to be not only auctioned at our office, but simultaneously online. To bid live, you must sign up for the specific auction. In order to sign up for an auction, log in at www.ha-europe.com and then click on the blue 'Register Live'-button at the particular auction. An orange 'Register'-button appears on the next page. Processing your request can take up to 1 business day, so do not wait until the last minute. The 'Bid Live'-button will turn green shortly prior to the auction.

Terms of Sale (Dutch)

Geldende bij de aankoop in veiling van roerende zaken.

Artikel 1 toepasselijkheid

1.1 Deze algemene voorwaarden zijn van toepassing op alle onderdelen van de relatie tussen de veilinghouder en de koper waaronder die betreffende koop, verkoop, bemiddeling, waardering, beoordeling, taxaties, catalogisering, bewaring en overige diensten. Onder koper wordt mede de aspirant koper verstaan die deelneemt aan de veiling ongeacht of deze in persoon biedt, per telefoon, door achterlating van een schriftelijke of mondelinge biedopdracht, elektronisch of door middel van het internet en ongeacht of een koopovereenkomst tot stand komt.
1.2 Afwijking van deze algemene voorwaarden is alleen mogelijk indien en voor zover uitdrukkelijk schriftelijk door de veilinghouder aanvaard.
1.3 De toepasselijkheid van de algemene voorwaarden wordt aan de veilingbezoekers kenbaar gemaakt door publicatie in de catalogus voorafgaande aan de veiling en/of mededeling voorafgaand aan de veiling en/of vermelding via internet/op de website van de veilinghouder. Een ieder die aan een veiling deelneemt geeft daardoor te kennen de toepasselijkheid van deze voorwaarden volledig te aanvaarden.

Artikel 2 informatie-/onderzoeksplicht

2.1 Omschrijvingen in de catalogus en alle schriftelijke of mondelinge inlichtingen worden door de veilinghouder en zijn personeel naar beste weten verstrekt.
2.2 De koper dient vóór de koop de staat en de beschrijving van een voorwerp in de catalogus of kavellijst ten eigen genoegen nauwkeurig en deskundig te (laten) inspecteren en een eigen oordeel te vormen over de mate waarin het voorwerp overeenkomt met de beschrijving ervan en de koper dient waar redelijkerwijs nodig of gewenst onafhankelijk advies van deskundigen in te roepen, terwijl de koper niet op illustraties in de catalogus dient af te gaan. Indien in de catalogus bepaalde gebreken of onvolkomenheden zijn vermeld, beoogt dat een indicatie te zijn die niet uitputtend is en waaraan de koper geen rechten kan ontlenen.
2.3 De veilinghouder kan niet aansprakelijk gehouden worden voor de onjuistheid van de beschrijving in de catalogus of op andere wijze kenbaar gemaakt, van materialen zoals bijvoorbeeld houtsoorten, stoffen, legeringen, aardewerk, porselein en diamant, een en ander met uitzondering van edele metalen. De veilinghouder aanvaardt alleen aansprakelijkheid voor onjuiste omschrijvingen voor zover voorzien in artikel 6 van deze voorwaarden.

Artikel 3 bieden

3.1 De koper kan in persoon bieden, tevens accepteert de veilinghouder biedingen:
- Schriftelijk
- Telefonisch
- Fax
- E-mail
- Internet, zowel voor de veiling als via de LiveBid. Let op! LiveBid wordt belast met 3% extra commissie, zoals vermeldt in artikel 3.6.

Kavels worden toegewezen aan de hoogst biedende. Bij een gelijk bod van 2 schriftelijke bieders wordt het betreffende kavel toegewezen aan de bieder wiens bieding het eerst ontvangen is.
3.2 Schriftelijke biedopdrachten dienen ondubbelzinnig en duidelijk te zijn en naar het oordeel van de veilinghouder tijdig genoeg voor de aanvang van de veilingzitting door de veilinghouder te zijn ontvangen. Indien er meerdere schriftelijke biedopdrachten door de veilinghouder worden ontvangen waarbij de te bieden bedragen gelijk zijn en deze biedingen ter veiling de hoogste biedingen op het voorwerp zijn, wordt het voorwerp verkocht aan de persoon wiens bieding door de veilinghouder het eerst is ontvangen.
3.3 Biedopdrachten hoeven slechts te worden uitgevoerd indien de veilinghouder redelijkerwijs daartoe gelegenheid heeft en de veilinghouder heeft te allen tijde het recht van het voeren van een biedopdracht af te zien.
3.4 Indien koper telefonisch of -indien mogelijk- elektronisch of via internet wil bieden, dient dit uiterlijk 24 uur voor de veiling schriftelijk met de veilinghouder te worden overeengekomen. Afwijking van deze termijn kan alleen met uitdrukkelijke schriftelijke instemming van de veilinghouder.
3.5 De veilinghouder sluit steeds iedere aansprakelijkheid ter zake van het om welke redenen dan ook niet slagen van een telefonische bieding uit, evenals het om welke redenen dan ook niet slagen van een schriftelijke bieding, elektronische bieding of bieding door middel van het internet.
3.6 Alle biedingen zijn onderhevig aan een aankoopcommissie.
- Drieëntwintig procent (23%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Postzegel- en Muntveilingen
- Vijfentwintig procent (25%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Kunst en Curiosaveilingen

Kavels verkregen via LiveBid worden belast met 3% extra commissie.

Artikel 4 totstandkoming koopovereenkomst

4.1 De koop komt tot stand bij definitieve toewijzing. Van definitieve toewijzing is sprake wanneer de veilinghouder het bod van de koper heeft geaccepteerd dan wel het voorwerp aan de koper heeft toegeslagen.
4.2 Alle voorwerpen worden verkocht in de toestand waarin zij zich op het ogenblik van toewijzing bevinden. Wezenlijke wijzigingen in de toestand die blijken na verschijning van de catalogus en/of het tonen op de kijkdagen en/of op het internet waaronder ernstige beschadiging of breuk, of herroeping van de omschrijving van een voorwerp in de catalogus en/of het internet zullen voorafgaand aan de verkoop worden medegedeeld. Na een dergelijke mededeling (bijvoorbeeld in een "sale room notice") kunnen aan de oude omschrijving geen rechten worden ontleend.

Artikel 5 verplichtingen koper

5.1 De koper dient zich op eerste verzoek van de veilinghouder te legitimeren.
5.2 De koper wordt geacht voor zichzelf te hebben gekocht en is aansprakelijk voor betaling zonder zich op een lastgever te kunnen beroepen.
5.3 De rechten en plichten uit hoofde van de koopovereenkomst en deze algemene voorwaarden komen uitsluitend toe aan de koper en kunnen door deze niet aan derden worden overgedragen.

Artikel 6 terugnameverplichting veilinghouder

6.1 Tenzij uitdrukkelijk voor bepaalde voorwerpen in de catalogus of kavellijst uitgesloten, is - onverminderd de artikelen 2 en 4.2 - de veilinghouder bereid een geveild voorwerp tegen gelijktijdige restitutie van de in rekening gebrachte koopprijs en veilingkosten terug te nemen, indien de koper binnen een periode van zes weken na de verkoop ten genoegen van de veilinghouder bewijst dat het geveilde zulke ernstige verborgen gebreken vertoont of de verstrekte omschrijving zo onjuist is, dat indien deze gebreken of de juiste omschrijving aan de koper op het ogenblik van toewijzing bekend waren geweest, hij van de koop zou hebben afgezien of slechts tegen een aanmerkelijk lagere prijs gekocht zou hebben. Dit geldt niet indien de gebreken alleen de conditie van het voorwerp betreffen (zoals bijvoorbeeld slijtage en restauraties).
6.2 De veilinghouder is niet bereid tot terugname indien de omschrijving in de catalogus voorafgaande aan of tijdens de veiling werd herroepen en de juiste omschrijving mondeling of schriftelijk aan het publiek werd medegedeeld.
6.3 De bereidheid tot terugname vervalt ook als de koper het geveilde niet kan teruggeven in dezelfde staat als waarin het zich bij toewijzing bevond, zulks ter beoordeling van de veilinghouder.

Artikel 7 rechten veilinghouder en veilingmeester

7.1 De veilinghouder en de veilingmeester die leiding geeft aan de veiling behouden zich de volgende rechten voor:
a. zonder opgave van redenen personen als bieder of koper te weigeren;
b. te allen tijde wijziging te brengen in de orde van verkoop;
c. voorwerpen te doen uitvallen of toe te voegen;
d. kopen te combineren of te splitsen;
e. kopen niet te gunnen of op te houden;
f. vergissingen bij biedingen en toewijzing te herstellen, of een koop ongedaan te maken zonder dat een bieder van vergissingen gebruik mag maken en zich in dat geval op een tot stand gekomen koopovereenkomst mag beroepen;
g. na toewijzing onmiddellijk gehele of gedeeltelijke betaling te vorderen, terwijl bij weigering of onmacht van betaling de veilinghouder en de veilingmeester het recht hebben de koopovereenkomst ongedaan te maken en daarna het betreffende voorwerp te herveilen en het bod van de nalatige bieder niet weer aan te nemen;
h. indien de koper weigert op eerste verzoek volledige naam en adres aan de veilinghouder bekend te maken en daarop betrekking hebbende legitimatie te tonen, de koopovereenkomst te ontbinden en te herveilen;
i. voorwerpen niet over te schrijven van de rekening van de oorspronkelijke koper op die van een ander;
j. gedurende de veiling geen voorwerpen af te geven;
k. namens kopers of verkopers biedingen uit te brengen;
l. voorwerpen waarover tijdens of kort na de veiling een geschil gerezen is, opnieuw in veiling te brengen, en een eventuele koopovereenkomst te ontbinden.

Artikel 8 betaling/eigendomsoverdracht

8.1 De betaling door de koper van de koopsom in Euro verhoogd met veilingkosten, andere kosten, waaronder indien van toepassing, het verschuldigd volgrecht, en eventuele BTW, één en ander als door de veilinghouder vast te stellen, moet vóór de aflevering van de gekochte voorwerpen plaatsvinden en binnen de door de veilinghouder te stellen termijn, zonder dat korting of verrekening is toegestaan, een en ander tenzij anders is overeengekomen.
8.2 Een beroep op de zogenaamde margeregeling kan uitsluitend worden gedaan indien vooraf aan de veiling aan alle ter zake geldende voorschriften is voldaan onder andere met betrekking tot de inkoopverklaring. Zulks ter uitsluitende beoordeling van de veilinghouder.
8.3 De eigendom van de voorwerpen gaat niet eerder over dan na volledige betaling van de koopsom en in geval van niet-tijdige betaling niet eerder dan na volledige betaling van de koopsom inclusief de in artikel 9 genoemde kosten.

Artikel 9 niet-tijdige betaling

9.1 Bij niet-tijdige betaling zal de veilinghouder aan de koper rente in rekening mogen brengen gelijk aan de wettelijke rente verhoogd met 3% dan wel – naar keuze van de veilinghouder – 1% per maand, te rekenen vanaf de datum waarop de betalingstermijn is verstreken. Tevens komen alle gerechtelijke en buitengerechtelijke kosten voor rekening van de nalatige koper, welke kosten worden begroot op 15% van de koopsom vermeerderd met de veilingkosten met een minimum van € 250 (zegge: tweehonderdvijftig Euro), onverminderd het recht om de werkelijke kosten te verhalen.
9.2 De veilinghouder heeft tevens het recht om, indien de koper de betalingstermijn overschrijdt en daardoor van rechtswege in verzuim is, de koopovereenkomst schriftelijk te ontbinden. Eventuele gedeeltelijke betalingen vervallen in geval van ontbinding bij wijze van vergoeding van schade aan de veilinghouder die tevens het recht heeft de volledige schade, zoals een mindere opbrengst, en kosten op de koper te verhalen en het geveilde onmiddellijk of later te herveilen of uit de hand te verkopen. De nalatige koper kan geen aanspraak maken op een eventuele meeropbrengst.

Artikel 10 ophaaltermijn

10.1 De koper is verplicht de gekochte voorwerpen tot zich te nemen en af te (laten) halen binnen de door de veilinghouder aan te geven termijn. Behoudens het recht van de veilinghouder een kortere of langere termijn aan te geven geldt als uiterlijke ophaaltermijn, een termijn van vijf werkdagen na de laatste veilingdag.
10.2 Bij nalatigheid van de koper het gekochte af te nemen en op te (laten) halen binnen de gestelde termijn is de koper van rechtswege in verzuim en is het gestelde in artikel 9 van overeenkomstige toepassing. Tevens heeft de veilinghouder het recht het gekochte voor rekening en risico van de koper in opslag te geven, waarbij vervoerskosten en het daaraan verbonden risico eveneens ten laste van de koper komen.

Artikel 11 onverkochte voorwerpen

11.1 Indien een voorwerp ter veiling onverkocht blijft, heeft de veilinghouder gedurende een periode van veertien dagen na de veiling het recht doch nimmer de plicht het onverkochte voorwerp alsnog te verkopen tenzij anders overeengekomen met de inbrenger.
11.2 De veilinghouder zal een dergelijke verkoop na veiling ("aftersale") alleen aangaan indien die verkoop kan geschieden voor een prijs die resulteert in een bedrag dat minimaal gelijk is aan de netto verkoopopbrengst waarop de verkoper recht zou hebben gehad indien het voorwerp voor de voor deze veiling geldende limiet zou zijn verkocht, zulks tenzij een andere regeling met verkoper wordt overeengekomen.
11.3 Een aankoop door een koper in de zin van dit artikel geldt als aankoop ter veiling waarop deze algemene voorwaarden onverkort van toepassing zullen zijn.

Artikel 12 aansprakelijkheid veilinghouder

12.1 De veilinghouder is nimmer aansprakelijk voor schade ontstaan aan schilderijlijsten, overige omlijstingen en al wat daarvan deel uitmaakt zoals glasplaten, passe-partouts etc., behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulppersonen of personeelsleden.
12.2 In geen geval is de veilinghouder aansprakelijk voor bedrijfs-, gevolg-, vermogens- en/of indirecte schade.
12.3 De veilinghouder is nimmer aansprakelijk voor enig ongeval of enige vorm van schade iemand overkomen in of nabij de gebouwen of terreinen waar gelegenheid is tot inbreng, opslag of bezichtiging, waar de veiling plaats heeft of waar de verkochte goederen worden afgehaald, behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulppersonen of personeelsleden en/of behoudens voor zover door een verzekering van de veilinghouder gedekt.
12.4 Het betreden van de gebouwen of terreinen geschiedt op eigen risico.

Artikel 13 foto's en illustraties

13.1 De veilinghouder is gerechtigd alle ter verkoop aangeboden voorwerpen te fotograferen, te illustreren of anderszins in beeld te brengen en af te (doen) beelden op welke wijze dan ook, zowel voor, tijdens als na de veiling, rekeninghoudende met geldende wettelijke bepalingen. De veilinghouder behoudt het auteursrecht op al deze afbeeldingen.

Artikel 14 diversen

14.1 Nietigheid, vernietiging of onverbindendheid van één der bepalingen van deze algemene voorwaarden laat de geldigheid van de overige bepalingen onverlet. In het geval één of meer bepalingen nietig, vernietigd of onverbindend zijn, worden tussen koper en veilinghouder vervangende bepalingen overeengekomen die wel geldig zijn en die het meest de inhoud en strekking van de nietige, vernietigde of onverbindend gebleken bepaling(en) benaderen.
14.2 Op deze algemene voorwaarden is uitsluitend Nederlands recht van toepassing.
14.3 Alle geschillen ter zake van, voortvloeiende uit of verbandhoudende met een tussen de veilinghouder en de koper gesloten koopovereenkomst, de totstandkoming van een koopovereenkomst of deze algemene voorwaarden worden uitsluitend ter beslechting voorgelegd aan de bevoegde rechter van de woonplaats of plaats van vestiging van de veilinghouder, tenzij uit de wet anders voortvloeit behoudens het recht van de veilinghouder om het geschil aanhangig te maken bij de bevoegde rechter van de woonplaats van de koper.

CONDITIONS

Extract of the conditions of sale

The auction sale occurs by upward bidding in euro. To the hammer price a buyers commission will be added of 25% and 2 euros for every bought lot. Purchases via the livebid system have an alternate commission fee of 28% and 2 euros for every bought lot.

Lots are assigned to the highest bidder. In case of two even bids the concerning lot will be assigned to the first received bidsheet. Bidders can submit written bids with the accompanying bidsheet. Please notice: no bids below the starting price will be accepted!

The auction sale takes place with increasing steps as follows: up to 40 euro with 2 or 3 euro, from 40 to 100 euro with 5 euro, from 100 to 300 euro with 10 euro, from 300 to 500 euro with 20 euro, and from 500 to 1000 with 50 euro and above 1000 euro with 100 euro. The auctioneer has the right to deviate from these amounts. Bids under the starting price are not accepted.

During and after the auction lots bought can be taken along by the purchaser. This is possible after direct payment (cash or bank) or after permission of the auctioneer to wire the amount within an agreed period. Payment with creditcard is also possible, the auctioneer will charge 5% extra to the invoice due to bankcosts. Cheques and PayPal are not accepted. Every bidder is considered to buy for him- or herself and can never be entitled 'in-betweens' without responsibility.

Purchases will not be sent before the invoice is paid in full. Heritage Auctions Europe takes no responsibilities for bank or wire transfer surcharges (which some banks charge).

A minimum of 30 euro will be charged for shipping costs. Heritage Auctions Europe is free to raise these costs if the actual shipping costs are higher than invoiced. We attempt to ship as quickly as possible, but operate a queue system with purchases shipped in order of payment. Buyers will receive a tracking number once the package is ready to be shipped out.
We reserve the right to decline to ship lots deemed too fragile, heavy or large for postal services. Every effort is made to pack securely but we are not a professional shipping company, our services are used at the buyers risk and we cannot be held responsible for damage in transit.

Ownership of the lots remains with the seller until payment has been made in full. Buyer's risk is valid from the moment of knock-down.

All lots are sold as viewed. Authenticity of every single lot (or lots with no more than 2 pieces) is guaranteed.

All disputes during or after the auction are decided by a present supervisor. All parties are subject to his/her pronouncement. Any disputes followed by legal actions will be handled according to the conditions as deposited at the Court of Law in Utrecht under no. 383/1999 (15/11/1999). Only the Dutch text of conditions of sale is in force.

According to Dutch taxlaw your VAT-number will NOT exclude VAT. All prices are reserve prices.

Art and collectibles, part 1 (1 - 1131) with livebid

Please make sure to submit your absentee bids in time. See page 7 for the deadlines.

Advice:
Take a look on our website www.ha-europe.com. You will find the photos of all lots, including those not published in our catalogue.

Another advice:
Enter your postal bids at www.ha-europe.com. This prevents errors and lost bid slips. Your bids are also processed faster, which provides a time advantage of up to 48 hours. This is important when equal bids are placed. You will also receive immediate feedback and the option to increase your bid if necessary.

Heritage Auctions is the largest numismatic auction house in the world with over 1,500,000 members/bidders. No other auction house even comes close! Consigning to our auctions is possible via HAE in IJsselstein, inquire about the possibilities. Call +31(0)30-6063944 or info@ha-europe.com

	Lucien 'Frits' Ohl (1904-1976), Chinese junks at sea, oil on panel, signed -78 x 118 cm- Frits Lucien Ohl (1904-1976) was a painter whose works were mostly of Indonesian landscapes and Asian panoramas. He was a skilled artiste, watercolourist, and draughtsman in the style reminiscent of the late of GP. Adolfs. He worked in a colourful and impressionistic manner, depicting Indonesian landscapes and culture, often using his palette knife.	
660	Lucien Frits Ohl was born in 1904 in Indonesia and he lived and worked in Palembang, Sumatra. He worked throughout Indonesia in Jakarta, Palembang and Yogyakarta until he left Indonesia to work in the Hague in 1954. He painted in the style of Gerard Pieter Adolfs' late period. He produced illustrations of Indonesia for JC Hamel's Soldatendominee (Hague 1948). He has exhibited in Jakarta, The Hague and the Ethnological Museum Nusantara in Delft. The artist died in 1976. Most of his works are now found in the collection of the Volkenkundig Nusantara Museum, Delft in the Netherlands.	*800*

The shape characterized by the three pieces of satin-brushed stainless steel that act as a column, a set of legs and carriers of the leather seating element. The story of the design is about Poul Kjaerholm's uncompromising quest for the perfect shape. The inspiration for the shape of the shell comes from the imprint of his wife's, Hanne Kjaerholm, behind in the sand on the beach. Later, during the design process, Hanne Kjaerholm sat in boxes of clay to find the most optimal and comfortable solution.	*4000*

16.00 hours CEST
Militaria: Orders, decorations and medals (3700 - 4051) with livebid
(Including Frans Riemersma part 2)

Please make sure to submit your absentee bids in time. See page 7 for the deadlines.

Advice:
Take a look on our website www.ha-europe.com. You will find the photos of all lots, including those not published in our catalogue.

Another advice:
Enter your absentee bids at www.ha-europe.com. This prevents errors and lost bid slips. Your bids are also processed faster, which provides a time advantage of up to 48 hours. This is important when equal bids are placed. You will also receive immediate feedback and the option to increase your bid if necessary.

**Several lots auctioned at Heritage Auctions Europe have broken world records.

Provenance: Sotheby's, 9 May 2005, nr. 339 -32 x 32 cm, 884 gr- During the reign of Peter the Great, Arkhangelsk contributed to the development of the Russian navy. In 1693 the Admiralty was established here, the process directly controlled by the Tsar. During the Nothern War with Sweden (1700-1721) Arkhangelsk was a crucial strategic Russian fortress and Peter I ordered the building of fortifications here. In 1701 the construction of the Novodvinsk fortress started. Its regular design distinguished this fortress: a square with four bastions at the corners. On 25/26 June 1701 the Novodinsk battle took place in which Russians for the first time during this war conquered the Swedish navy. With the foundation of the Baltic port of Saint Petersburg in 1703 Arkhangelsk partly lost its significance, but it preserved its function of regional centre, especially in the area of trade, fishing, shipbuilding and timber production.	1500

Please make sure to submit your absentee bids in time. See page 7 for the deadlines.

Advice:
Take a look on our website www.ha-europe.com. You will find the photos of all lots, including those not published in our catalogue.

Another advice:
Enter your absentee bids at www.ha-europe.com. This prevents errors and lost bid slips. Your bids are also processed faster, which provides a time advantage of up to 48 hours. This is important when equal bids are placed. You will also receive immediate feedback and the option to increase your bid if necessary.

Be in time with your bids! Use the online bidding system on our website www.ha-europe.com, send them in by email to info@ha-europe.com, or hand them to us in person.
Best of luck!

WWII, archive of Harmen Westra, NSB Mayor of Den Haag (The Hague) from 1942 to 1945. Consisting of large amount various documents, including invitations from Hans Frank, Joseph Goebbels and Arthur Seyss-Inquart, correspondence with prominent NSB members, signed by Anton Mussert and Johan Carp, Kriegsverdienstkreuz mit Schwertern 2nd Class with award document named to Harmen Westra and his 'Persoonsbewijs'.

Very interesting lot, should be viewed

Harmen Westra (1883-1959) was aanvankelijk bestuursambtenaar in Nederlands-Indië en tolk op de Nederlandse Ambassade in Japan. In 1931 werd hij benoemd tot hoogleraar Indologie in Utrecht. Al in 1934 trad hij toe tot de NSB waar hij (met een onderbreking van enkele jaren) lid van bleef tot 1945.

In 1942 werd hij benoemd tot Burgemeester van Den Haag. Na de oorlog werd de doodstraf tegen hem geëist en werd hij veroordeeld tot 20 jaar.

Het archief bevat, behalve talrijke persoonlijke en administratieve bescheiden, knipsels en fotomateriaal, ondermeer:

-Doctorsbul Westra en aanstellingsbrieven Nederlands-Indië.

-Indologische publicaties van Westra, in boek- en pamfletvorm.

4661 -Correspondentie met betrekking tot de benoeming van Westra tot adviseur van Mussert, ondertekend door Carp en Mussert. *2000*

- Correspondentie met de NSB inzake toewijzing stamboeknummer.

-Oorkonde gelofte van Trouw aan de Leider, 1941.

-Kriegsverdienstkreuz met Zwaarden 2e Klasse met oorkonde op naam van Westra, gedateerd 1944.

-Handgetekende oorkonde voor de 61e verjaardag Westra (1944), aangeboden door 21 NSB-kameraden werkzaam bij de Gemeente Den Haag.

-Persoonsbewijs en (naoorlogs) paspoort Westra.

-Talrijke uitnodigingskaarten uit naam van Reichsminister Dr. Hans Frank, visitekaartjes van diverse wetenschappers en andere documenten met betrekking tot congressen van de Akademie für Deutsches Recht waarbij Westra aanwezig was (1933-1940).

-Hoeveelheid uitnodigingskaarten aan Westra door Seyss-Inquart voor theevisites, diners, concerten en meer, deels persoonlijk door deze ondertekend.

-Uitnodigingskaart van Dr. Goebbels voor echtpaar Westra voor een Sommerfest op het Pfaueninsel Berlijn, 1937.

-Naoorlogse procesdocumentatie.

Zeer interessant geheel, dient bekeken te worden
