Beste liefhebber,

In uw handen heeft u de wederom rijk geïllustreerde catalogus van onze aankomende novemberveiling. We hebben wederom de eer om vele kavels munten, penningen, papiergeld, medailles en onderscheidingen van eigenaar te laten wisselen, kavels die vol vertrouwen zijn ingebracht door honderden inzenders uit Nederland en daarbuiten. Het zijn dit keer ruim 8600 kavels, wederom met veel plezier en deskundigheid beschreven en gefotografeerd door onze medewerkers.

We maken er deze keer een 6-daagse happening van, simpelweg door het grote aantal kavels. Zoals altijd vindt deze veiling plaats in ons kantoor aan de Energieweg 7 te IJsselstein, van maandag 15 t/m zaterdag 20 november. De kijkdagen beginnen vrijdag 5 november. Wij adviseren u zoals altijd om ruimschoots gebruik te maken van deze dagen en alles uitgebreid te bekijken, maar uiteraard kunt u ook alle kavels bekijken op [www.ha-europe.com](http://www.ha-europe.com). Tevens kunt u alle LOSSE nummers ook tijdens de veiling bekijken, tot ca. 100 nummers voor afslag. De indeling van de veiling en de kijkdagen vindt u weer in het daarvoor gebruikelijke overzicht op de volgende pagina's.

De Coronamaatregelen zijn op het moment van schrijven van deze catalogus soepel en we kunnen gewoon inkijken en veilen, zonder afspraak. Echter, we kunnen u nog niet van een lunch voorzien, we kunnen geen gepaste afstand garanderen. We volgen uiteraard de richtlijnen van het RIVM.

Even een greep uit het aanbod: veel mooie munten wereld wo. schitterend Oostenrijk, Hongarije, Ragusa etc., het eerste deel van een belangrijke verzameling Duitse noodmunten 1916-1921, een Olympische medaille Nederlandse zwemploeg Berlijn 1936, een mooie verzameling rekenpenningen (het eerste deel van de collectie Frans Peters) etc. Tevens vindt u een enorme collectie bankbiljetten wereld met mooi China en Indonesisch regionaal (1945-50), een gouden afslag van een Ducaton Holland 1687, een .... Ach, kijkt u zelf maar en laat u verrassen door zoveel moois!

Bij het doorbladeren van deze catalogus zal u de grote diversiteit opvallen van de aangeboden stukken en collecties. Mocht u zelf besluiten om (een deel van) uw collectie van de hand te doen of eens een goed gesprek te willen voeren over de aantrekkelijke condities van Heritage Auctions Europe, neem dan gerust contact met ons op. Uiteraard geldt dat ook voor inzendingen voor de veilingen van Heritage Auctions in de USA of Hong Kong, de grootste numismatische veilingen ter wereld.

Tot slot: zoals altijd kunt u weer op alle kavels live meebieden via internet. Na registratie op [www.ha-europe.com](http://www.ha-europe.com) kunt u inloggen en meebieden. Ook kunt u hier uw schriftelijke biedingen doorgeven. LET OP: bij het sluiten van de biedingen via onze website is het niet altijd zeker dat u op de veilingdag zelf de hoogsteieder bent, we moeten immers nog binnengekomen biedingen verwerken. De kans bestaat dus dat u alsnog overboden wordt zonder dat u daarvan op de hoogte wordt gesteld, houdt u daar rekening mee. Uw aanwezigheid tijdens de veilingdagen wordt uiteraard zeer gewaardeerd. Mocht u echter verhinderd zijn en kunt u niet via ons live computersysteem meebieden, dan voeren wij uw schriftelijke biedingen, zoals u dat van ons gewend bent, discreet en met zorg uit.

Wellicht tot ziens in IJsselstein en alvast heel veel succes op de veiling!

Met vriendelijke en numismatische groet,  
Jacco Scheper en Huib Pelzer

## ALGEMENE VOORWAARDEN

### Geldende bij de aankoop in veiling van roerende zaken.

#### Artikel 1 toepasselijkheid

1.1 Deze algemene voorwaarden zijn van toepassing op alle onderdelen van de relatie tussen de veilinghouder en de koper waaronder die betreffende koop, verkoop, bemiddeling, waardering, beoordeling, taxaties, catalogisering, bewaring en overige diensten. Onder koper wordt mede de aspirant koper verstaan die deelneemt aan de veiling ongeacht of deze in persoon biedt, per telefoon, door achterlating van een schriftelijke of mondelinge biedopdracht, elektronisch of door middel van het internet en ongeacht of een koopovereenkomst tot stand komt.

1.2 Afwijking van deze algemene voorwaarden is alleen mogelijk indien en voor zover uitdrukkelijk schriftelijk door de veilinghouder aanvaard.

1.3 De toepasselijkheid van de algemene voorwaarden wordt aan de veilingbezoekers kenbaar gemaakt door publicatie in de catalogus voorafgaande aan de veiling en/of mededeling voorafgaand aan de veiling en/of vermelding via internet/op de website van de veilinghouder. Een ieder die aan een veiling deelneemt geeft daardoor te kennen de toepasselijkheid van deze voorwaarden volledig te aanvaarden.

#### Artikel 2 informatie-/onderzoeksplicht

2.1 Omschrijvingen in de catalogus en alle schriftelijke of mondelinge inlichtingen worden door de veilinghouder en zijn personeel naar beste weten verstrekt.

2.2 De koper dient vóór de koop de staat en de beschrijving van een voorwerp in de catalogus of kavellijst ten eigen genoegen nauwkeurig en deskundig te (laten) inspecteren en een eigen oordeel te vormen over de mate waarin het voorwerp overeenkomt met de beschrijving ervan en de koper dient waar redelijkerwijs nodig of gewenst onafhankelijk advies van deskundigen in te roepen, terwijl de koper niet op illustraties in de catalogus dient af te gaan. Indien in de catalogus bepaalde gebreken of onvolkomenheden zijn vermeld, beoogt dat een indicatie te zijn die niet uitputtend is en waaraan de koper geen rechten kan ontlenen.

2.3 De veilinghouder kan niet aansprakelijk gehouden worden voor de onjuistheid van de beschrijving in de catalogus of op andere wijze kenbaar gemaakt, van materialen zoals bijvoorbeeld houtsoorten, stoffen, legeringen, aardewerk, porselein en diamant, een en ander met uitzondering van edele metalen. De veilinghouder aanvaardt alleen aansprakelijkheid voor onjuiste omschrijvingen voor zover voorzien in artikel 6 van deze voorwaarden.

#### Artikel 3 bieden

3.1 De koper kan in persoon bieden, tevens accepteert de veilinghouder biedingen:

- Schriftelijk
- Telefonisch
- Fax
- E-mail

- Internet, zowel voor de veiling als via de LiveBid. Let op! LiveBid wordt belast met 3% extra commissie, zoals vermeldt in artikel 3.6.

Kavels worden toegewezen aan de hoogst biedende. Bij een gelijk bod van 2 schriftelijke bidders wordt het betreffende kavel toegewezen aan de bieder wiens bieding het eerst ontvangen is.

3.2 Schriftelijke biedopdrachten dienen ondubbelzinnig en duidelijk te zijn en naar het oordeel van de veilinghouder tijdig genoeg voor de aanvang van de veilingzitting door de veilinghouder te zijn ontvangen. Indien er meerdere schriftelijke biedopdrachten door de veilinghouder worden ontvangen waarbij de te bieden bedragen gelijk zijn en deze biedingen ter veiling de hoogste biedingen op het voorwerp zijn, wordt het voorwerp verkocht aan de persoon wiens bieding door de veilinghouder het eerst is ontvangen.

3.3 Biedopdrachten hoeven slechts te worden uitgevoerd indien de veilinghouder redelijkerwijs daartoe gelegenheid heeft en de veilinghouder heeft te allen tijde het recht van het voeren van een biedopdracht af te zien.

3.4 Indien koper telefonisch of -indien mogelijk- elektronisch of via internet wil bieden, dient dit uiterlijk 24 uur voor de veiling schriftelijk met de veilinghouder te worden overeengekomen. Afwijking van deze termijn kan alleen met uitdrukkelijke schriftelijke instemming van de veilinghouder.

3.5 De veilinghouder sluit steeds iedere aansprakelijkheid ter zake van het om welke redenen dan ook niet slagen van een telefonische bieding uit, evenals het om welke redenen dan ook niet slagen van een schriftelijke bieding, elektronische bieding of bieding door middel van het internet.

3.6 Alle biedingen zijn onderhevig aan een aankoopcommissie.

- Drieëntwintig procent (23%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Postzegel- en Muntveilingen
- Vijfentwintig procent (25%) commissie en €2 kavelgeld voor ieder gekocht kavel bij alle Kunst en Curiosaveilingen

Kavels verkregen via LiveBid worden belast met 3% extra commissie.

#### Artikel 4 totstandkoming koopovereenkomst

4.1 De koop komt tot stand bij definitieve toewijzing. Van definitieve toewijzing is sprake wanneer de veilinghouder het bod van de koper heeft geaccepteerd dan wel het voorwerp aan de koper heeft toegeslagen.

4.2 Alle voorwerpen worden verkocht in de toestand waarin zij zich op het ogenblik van toewijzing bevinden. Wezenlijke

wijzigingen in de toestand die blijken na verschijning van de catalogus en/of het tonen op de kijdagen en/of op het internet waaronder ernstige beschadiging of breuk, of herroeping van de omschrijving van een voorwerp in de catalogus en/of het internet zullen voorafgaand aan de verkoop worden medegedeeld. Zullen dergelijke mededeling (bijvoorbeeld in een "sale room notice") kunnen aan de oude omschrijving geen rechten worden ontleend.

#### Artikel 5 verplichtingen koper

5.1 De koper dient zich op eerste verzoek van de veilinghouder te legitimeren.

5.2 De koper wordt geacht voor zichzelf te hebben gekocht en is aansprakelijk voor betaling zonder zich op een lastgever te kunnen beroepen.

5.3 Derechten en plichten uit hoofde van de koopovereenkomst en deze algemene voorwaarden komen uitsluitend toe aan de koper en kunnen door deze niet aan derden worden overgedragen.

#### Artikel 6 terugnameverplichting veilinghouder

6.1 Tenzij uitdrukkelijk voor bepaalde voorwerpen in de catalogus of kavellijst uitgesloten, is - onverminderd de artikelen 2 en 4.2 - de veilinghouder bereid een geveild voorwerp tegen gelijktijdige restitutie van de in rekening gebrachte koopprijs en veilingkosten terug te nemen, indien de koper binnen een periode van zes weken na de verkoop ten genoegen van de veilinghouder bewijst dat het geveilde zulke ernstige verborgen gebreken vertoont of de verstrekte omschrijving zo onjuist is, dat indien deze gebreken of de juiste omschrijving aan de koper op het ogenblik van toewijzing bekend waren geweest, hij van de koop zou hebben afgezien of slechts tegen een aanmerkelijk lagere prijs gekocht zou hebben. Dit geldt niet indien de gebreken alleen de conditie van het voorwerp betreffen (zoals bijvoorbeeld slijtage en restauraties).

6.2 De veilinghouder is niet bereid tot terugname indien de omschrijving in de catalogus voorafgaande aan of tijdens de veiling werd herroepen en de juiste omschrijving mondeling of schriftelijk aan het publiek werd medegedeeld.

6.3 De bereidheid tot terugname vervalt ook als de koper het geveilde niet kan teruggeven in dezelfde staat als waarin het zich bij toewijzing bevond, zulks ter beoordeling van de veilinghouder.

#### Artikel 7 rechten veilinghouder en veilingmeester

7.1 De veilinghouder en de veilingmeester die leiding geeft aan de veiling behouden zich de volgende rechten voor:

- zonder opgave van redenen personen als bieder of koper te weigeren;
- te allen tijde wijziging te brengen in de orde van verkoop;
- voorwerpen te doen uitvallen of toe te voegen;
- kopen te combineren of te splitsen;
- kopen niet te gunnen of op te houden;
- vergissingen bij biedingen en toewijzing te herstellen, of een koop ongedaan te maken zonder dat een bieder van vergissingen gebruik kan maken en zich in dat geval op een tot stand gekomen koopovereenkomst mag beroepen;
- na toewijzing onmiddellijk gehele of gedeeltelijke betaling te vorderen, terwijl bij weigering of onmacht van betaling de veilinghouder en de veilingmeester het recht hebben de koopovereenkomst ongedaan te maken en daarna het betreffende voorwerp te herveilen en het bod van de nalatige bieder niet weer aan te nemen;
- indien de koper weigert op eerste verzoek volledige naam en adres aan de veilinghouder bekend te maken en daarop betrekking hebbende legitimatie te tonen, de koopovereenkomst te ontbinden en te herveilen;

- voorwerpen niet over te schrijven van de rekening van de oorspronkelijke koper op die van een ander;
- gedurende de veiling geen voorwerpen af te geven;
- namens kopers of verkopers biedingen uit te brengen;
- voorwerpen waarover tijdens of kort na de veiling een geschil gerezen is, opnieuw in veiling te brengen, en een eventuele koopovereenkomst te ontbinden.

#### Artikel 8 betaling/eigendomsoverdracht

8.1 De betaling door de koper van de koopsom in Euro verhoogd met veilingkosten, andere kosten, waaronder indien van toepassing, het verschuldigd volgrecht, en eventuele BTW, één en ander als door de veilinghouder vast te stellen, moet vóór de aflevering van de gekochte voorwerpen plaatsvinden en binnen de door de veilinghouder te stellen termijn, zonder dat korting of verrekening is toegestaan, een en ander tenzij anders is overeengekomen.

8.2 Een beroep op de zogenaamde margeregeling kan uitsluitend worden gedaan indien vooraf aan de veiling aan alle ter zake geldende voorschriften is voldaan onder andere met betrekking tot de inkoopverklaring. Zulks ter uitsluitende beoordeling van de veilinghouder.

8.3 De eigendom van de voorwerpen gaat niet eerder over dan na volledige betaling van de koopsom en in geval van niet-tijdige betaling niet eerder dan na volledige betaling van de koopsom inclusief de in artikel 9 genoemde kosten.

#### Artikel 9 niet-tijdige betaling

9.1 Bij niet-tijdige betaling zal de veilinghouder aan de koper rente in rekening mogen brengen gelijk aan de wettelijke rente verhoogd met 3% dan wel - naar keuze van de veilinghouder - 1% per maand, te rekenen vanaf de datum waarop de betalingstermijn is verstreken. Tevens komen alle gerechtelijke en buitengerechtelijke kosten voor rekening van de nalatige koper, welke kosten worden begroot op 15%

van de koopsom vermeerderd met de veilingkosten met een minimum van € 250 (zegge: tweehonderdvijftig Euro), onverminderd het recht om de werkelijke kosten te verhalen. 9.2 De veilinghouder heeft tevens het recht om, indien de koper de betalingstermijn overschrijdt en daardoor van rechtswege in verzuim is, de koopovereenkomst schriftelijk te ontbinden. Eventuele gedeeltelijke betalingen vervallen in geval van ontbinding bij wijze van vergoeding van schade aan de veilinghouder die tevens het recht heeft de volledige schade, zoals een mindere opbrengst, en kosten op de koper te verhalen en het geveilde onmiddellijk of later te herveilen of uit de hand te verkopen. De nalatige koper kan geen aanspraak maken op een eventuele meeropbrengst.

#### Artikel 10 ophaaltermijn

10.1 De koper is verplicht de gekochte voorwerpen tot zich te nemen en af te (laten) halen binnen de door de veilinghouder aan te geven termijn. Behoudens het recht van de veilinghouder een kortere of langere termijn aan te geven geldt als uiterlijke ophaaltermijn, een termijn van vijf werkdagen na de laatste veilingdag.

10.2 Bij nalatigheid van de koper het gekochte af te nemen en op te (laten) halen binnen de gestelde termijn is de koper van rechtswege in verzuim en is het gestelde in artikel 9 van overeenkomstige toepassing. Tevens heeft de veilinghouder het recht het gekochte voor rekening en risico van de koper in opslag te geven, waarbij vervoerskosten en het daaraan verbonden risico eveneens ten laste van de koper komen.

#### Artikel 11 onverkochte voorwerpen

11.1 Indien een voorwerp ter veiling onverkocht blijft, heeft de veilinghouder gedurende een periode van veertien dagen na de veiling het recht doch nimmer de plicht het onverkochte voorwerp alsnog te verkopen tenzij anders overeengekomen met de inbrenger.

11.2 De veilinghouder zal een dergelijke verkoop na veiling ("aftersale") alleen aangaan indien die verkoop kan geschieden voor een prijs die resulteert in een bedrag dat minimaal gelijk is aan de netto verkoopopbrengst waarop de verkoper recht zou hebben gehad indien het voorwerp voor de voor deze veiling geldende limiet zou zijn verkocht, zulks tenzij een andere regeling met verkoper wordt overeengekomen.

11.3 Een aankoop door een koper in de zin van dit artikel geldt als aankoop ter veiling waarop deze algemene voorwaarden onverkort van toepassing zullen zijn.

#### Artikel 12 aansprakelijkheid veilinghouder

12.1 De veilinghouder is nimmer aansprakelijk voor schade ontstaan aan schilderijlijsten, overige omlijstingen en al wat daarvan deel uitmaakt zoals glasplaten, passe-partouts etc., behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulppersonen of personeelsleden.

12.2 In geen geval is de veilinghouder aansprakelijk voor bedrijfs-, gevolg-, vermogens- en/of indirecte schade.

12.3 De veilinghouder is nimmer aansprakelijk voor enig ongeval of enige vorm van schade iemand overkomen in of nabij de gebouwen of terreinen waar gelegenheid is tot inbreng, opslag of bezichtiging, waar de veiling plaats heeft of waar de verkochte goederen worden afgehaald, behoudens het geval dat de schade is veroorzaakt door opzet of bewuste roekeloosheid van de veilinghouder en/of door hem ingeschakelde hulppersonen of personeelsleden en/of behoudens voor zover door een verzekering van de veilinghouder gedekt.

12.4 Het betreden van de gebouwen of terreinen geschiedt op eigen risico.

#### Artikel 13 foto's en illustraties

13.1 De veilinghouder is gerechtigd alle ter verkoop aangeboden voorwerpen te fotograferen, te illustreren of anderszins in beeld te brengen en af te (doen) beelden op welke wijze dan ook, zowel voor, tijdens als na de veiling, rekeninghoudende met geldende wettelijke bepalingen. De veilinghouder behoudt het auteursrecht op al deze afbeeldingen.

#### Artikel 14 diversen

14.1 Nietigheid, vernietiging of onverbindendheid van één der bepalingen van deze algemene voorwaarden laat de geldigheid van de overige bepalingen onverlet. In het geval één of meer bepalingen nietig, vernietigd of onverbindend zijn, worden tussen koper en veilinghouder vervangende bepalingen overeengekomen die wel geldig zijn en die het meest de inhoud en strekking van de nietige, vernietigde of onverbindend gebleken bepaling(en) benaderen.

14.2 Op deze algemene voorwaarden is uitsluitend Nederlands recht van toepassing.

14.3 Alle geschillen ter zake van, voortvloeiende uit of verbandhoudende met een tussen de veilinghouder en de koper gesloten koopovereenkomst, de totstandkoming van een koopovereenkomst of deze algemene voorwaarden worden uitsluitend ter beslechting voorgelegd aan de bevoegde rechter van de woonplaats of plaats van vestiging van de veilinghouder, tenzij uit de wet anders voortvloeit behoudens het recht van de veilinghouder om het geschil aanhangig te maken bij de bevoegde rechter van de woonplaats van de koper.

## Extract of the conditions of sale

The auction sale occurs by upward bidding in euro. To the hammer price a buyer's commission will be added of 23% and €2.00 for every bought lot. Purchases via the livebid system have an alternate commission fee of 26% and €2.00 for every bought lot.

Lots are assigned to the highest bidder. In case of two even bids the concerning lot will be assigned to the first received bidsheet. Bidders can submit written bids with the accompanying bidsheet. Please notice: no bids below the starting price will be accepted!

The auction sale takes place with increasing steps as follows: up to 40 euro with 2 or 3 euro, from 40 to 100 euro with 5 euro, from 100 to 300 euro with 10 euro, from 300 to 500 euro with 20 euro, and from 500 to 1000 with 50 euro and above 1000 euro with 100 euro. The auctioneer has the right to deviate from these amounts. Starting prices in the catalogue described as 'bod' have a minimum of 5 euro. Bids under the starting price are not accepted.

During and after the auction lots bought can be taken along by the purchaser. This is possible after direct payment (cash or bank) or after permission of the auctioneer to wire the amount within an agreed period. Payment with creditcard is also possible, the auctioneer will charge 5% extra to the invoice due to bankcosts. Cheques and PayPal are not accepted. Every bidder is considered to buy for him- or herself and can never be entitled 'in-betweens' without responsibility.

Purchases will not be sent before the invoice is paid in full. HAE takes no responsibilities for bank or wire transfer surcharges (which some banks charge).

A minimum of 30 euro will be charged for shipping costs. Heritage Auctions Europe is free to raise these costs if the actual shipping costs are higher than invoiced. We attempt to ship as quickly as possible, but operate a queue system with purchases shipped in order of payment. Buyers will receive a tracking number once the package is ready to be shipped out.

We reserve the right to decline to ship lots deemed too fragile, heavy or large for postal services. Every effort is made to pack securely but we are not a professional shipping company, our services are used at the buyers risk and we cannot be held responsible for damage in transit.

Ownership of the lots remains with the seller until payment has been done in full. Buyer's risk is valid from the moment of knock-down.

All lots are sold as viewed. Authenticity of every single lot (or lots with no more than 2 pieces) is guaranteed.

All disputes during or after the auction are decided by a present supervisor. All parties are subject to his/her pronouncement. Any disputes followed by legal actions will be handled according to the conditions as deposited at the Court of Law in Utrecht under no. 383/1999 (15/11/1999). Only the Dutch text of conditions of sale is in force

According to Dutch taxlaw your VAT-number will NOT exclude VAT. All prices are reserve prices.

# Onthul de ware schoonheid *van uw munten*

Verzamelmunten kunnen beschadigd raken en het uiterlijk kan veranderen als ze niet goed worden bewaard en verpakt. Ook kunnen ze beschadigd raken door het milieu en de omgeving, verkeerd gebruik en veranderingen in de natuur. Vervuiling op oppervlakken zoals PVC en andere resten, vuil, aanslag, vlekken en afzetting kunnen het uiterlijk minder mooi maken en kunnen munten zelfs permanent beschadigen.

NCS heeft een professionele aanpak van numismatische conservatie ontwikkeld en kan deze schadelijke deeltjes verwijderen, waardoor het uiterlijk van een munt aanzienlijk kan worden verbeterd.

NCS, dat door het Smithsonian Instituut wordt gezien als een autoriteit op het gebied van conservering, heeft de expertise en ervaring om het oorspronkelijke uiterlijk van uw munt terug te brengen en de ware schoonheid ervan te onthullen.

# Wat kan professionele conservatie door NCS doen voor mijn munten?

Alle soorten munten zijn onderhevig aan oppervlakkige vervuiling en negatieve reacties op de omgeving. In veel gevallen worden munten bewaard of verkocht in zachte plastic mapjes of muntverpakkingen die polyvinylchloride (PVC) bevatten, chemicaliën die langzaam inwerken op de oppervlakte van een munt. PVC en andere resten leiden uiteindelijk tot permanente schade.

Door bepaalde problemen komen munten niet langer in aanmerking voor beoordeling door Numismatic Guaranty Corporation (NGC), een onafhankelijk partner van NCS, als ze niet eerst professioneel worden geconserveerd. Na conservatie door NCS kunnen munten aan NGC worden overgedragen voor certificering. Hierna worden ze, afhankelijk van de staat van het oppervlak, numeriek op kwaliteit ingedeeld of door NGC Details op kwaliteit ingedeeld.

Hieronder volgen enkele voorbeelden van professionele conservatie door NCS.

Tip:

Kijk ook eens op [www.ha-europe.com](http://www.ha-europe.com). Hier vind u foto's van alle kavels. Dus ook van de kavels die in deze catalogus niet zijn afgebeeld.

Nog een tip:

Voer uw schriftelijke biedingen in op [www.ha-europe.com](http://www.ha-europe.com). Dit voorkomt fouten en (in de post) zoekgeraakte biedbriefjes. Uw biedingen worden ook sneller verwerkt, dit levert een tijdvoordeel van soms wel 48 uur op. Belangrijk indien er gelijke biedingen worden geplaatst. Ook krijgt u directe terugkoppeling en de mogelijkheid uw bieding alsnog te verhogen indien dit noodzakelijk is.

 411 Spanish-American 8 Reales nd. with anonymous 8-petaled flower countermark attributed to Sumenep (ZENO 279122) - Spanish-American pieces were frequently counter-marked early in the 18th cent. The c/m "Sumenep" in Malay-Arabic (vdWis B14) in combination with other countermarks, like a flower and/or a number (1)230 (vdWis E54) are often found and accordingly also attributed to Sumenep. The c/m of an 8-petaled flower seems to be rather rare and may be some of the earlier c/m's applied on these coins at Sumenep and succeeded by the more frequently met c/m of a 5-petalled flower (vdWis E52). An additional c/m of a grid might be a bankers mark - VF 100

## Frans Peters 1936 - 2021

Reeds als jongeman begon Frans met het verzamelen van munten. In eerste instantie, net als de meesten, keek hij met interesse naar Koninkrijksmunten, maar al snel kwam daarvoor de Provinciale muntslag in de plaats en nog later de rekenpenningen. Dit laatste verzamelgebied is de laatste jaren erg in opkomst.

Frans verwierf zijn aanwinsten op diverse muntenbeurzen en bij diverse veilinghuizen in binnen- en buitenland. Menig keer is hij trots naar huis gegaan met een aantal mooie stukken op zak voor in zijn verzameling. Een van zijn favorieten was een papieren noodmunt 1574 uit Leiden, voor weinig geld verworven op een ruilbeurs.

In 1994 werd Frans lid van de Numismatische Kring Utrecht. Hij was een graag geziene gast, altijd trouw aanwezig op de gezellige maandelijkse kringavonden. Later, als secretaris, verzorgde hij de convocaties altijd keurig op tijd. Tevens reorganiseerde hij – tot genoegen van velen – het in ongerede geraakte kringarchief tot een overzichtelijk en op jaartal gezet geheel. Hij werd later erelid.

Ook was hij een gewaardeerd lid van het Koninklijk Nederlands Genootschap voor Munt- en Penningkunde. Tevens werkte hij jarenlang samen met Gerrit van Ingen met veel kennis van zaken aan het boekwerk 'Latijnse spreuken: omschriften op Nederlandse munten en penningen', dat gepubliceerd is.

Bijna letterlijk tot zijn laatste dag verwierf hij nog enkele rekenpenningen en dat bestempelt hem tot een ware verzamelaar en liefhebber. Frans was een vriendelijk en aimabel mens.

Frans heeft zelf aangegeven dat de verzameling bij Heritage Auctions Europe geveild zou gaan worden. Helaas heeft hij er zelf niet meer bij kunnen zijn.

Militaire Willemsorde, Knight 4th Class, posthumously awarded to Theodorus Dobbe, inherited by the family. Awarded for brave acts as a resistance fighter during WWII, ‘Bij Koninklijk Besluit van 11 september 1951, No. 21, wegens: Het zich in de strijd onderscheiden hebben door uitstekende daden van moed, beleid en trouw door in het tijdvak van Mei 1940 tot zijn heldhaftige dood in September 1944 de vijandelijke bezetter met grote voortvarendheid en vindingrijkheid en op elk terrein van het ondergronds verzet hardnekkig te bestrijden, welke daden in belangrijke mate rechtstreeks de Geallieerde Oorlogvoering ten dienste hebben gestrekt.’

Minor damage to enamel and ball finials, front of suspension gold brushed, added his wax seal stamp with initials ‘T.D.’

Theodorus Dobbe (1901-1944) was immediately very active in the resistance after the German invasion of the Netherlands. In the summer of 1940 he already formed his own resistance group, helped Jewish people in hiding and distributed the illegal magazine Vrij Nederland. After being arrested in 1941, he escaped from a Utrecht prison and fled to Friesland. There he raided the distribution office in Joure. In 1944 he became one of the leading persons in the Landelijke Knokploegen. During an action on September 5, 1944 (Dolle Dinsdag) he was arrested and executed the same day.

**Tip:**

Kijk ook eens op [www.ha-europe.com](http://www.ha-europe.com). Hier vind u foto's van alle kavels. Dus ook van de kavels die in deze catalogus niet zijn afgebeeld.

**Nog een tip:**

Voer uw schriftelijke biedingen in op [www.ha-europe.com](http://www.ha-europe.com). Dit voorkomt fouten en (in de post) zoekgeraakte biedbriefjes. Uw biedingen worden ook sneller verwerkt, dit levert een tijdvoordeel van soms wel 48 uur op. Belangrijk indien er gelijke biedingen worden geplaatst. Ook krijgt u directe terugkoppeling en de mogelijkheid uw bieding alsnog te verhogen indien dit noodzakelijk is.

Knight on horseback with sword / Rev. 2 crowned lions holding provincial arms of Holland + date in cartouche – in NGC-slab PF 61. A tremendous representative of this off-metal issue, noted as a “trial in gold” by Delmonte and similarly recognized as a Pattern by the Standard Catalog of World Coins. Gold emissions are highly elusive, particularly in finer surviving states, and likely served as presentation pieces to important officials, thus indicating that their value and importance was well-recognized by owners in even contemporary times. A truly marvelous specimen, this offering appears fully destined for a high-end collection of 17th-century gold	50000

The worm has the same meaning in Germanic symbolism as the snake and dragon and appears in those guises on the coins, as also on the "Lindwurm-Brakteaten" from the same period of Breisgau or closer to home the Draco coins from Holland. The lily represents the Emperor's Stauphic origin and the tower, the Nibelungenturm, is also - but more common - a symbol of the city of Worms	200

These were made as a sort of "good luck talisman" as well as a status symbol. The value of these currencies ranged from ½ ducat to 100 ducats. This coin weighing 7 ducats is unknown to Friedberg, but its style clearly relates to the works of Jérémias Roth Senior (1690-1751). Fully choice, sunny golden luster pervading across the obverse and reverse faces amidst delightfully crisp detailing. An immense and pleasing example with incredible eye-appeal	4000
