I have worked with these talented individuals for many years but this is the first time to bring them together and the sparks flew.

BOUDOIR

Find a shelter from the storm in this convivial home. Its high vaulted ceiling, wood walls, smooth textures and large windows create a warm atmosphere, typical of Swiss modern chalets like this one. Such place is perfectly set for an intimate boudoir photoshoot.

Our dedicated team of photographer and model seized this opportunity and gave their best to take you with them in the heart of the Swiss Alps, in this lovely tiny house. Watch our model Charlotte evolve in this environment, from the moment she wakes up and stretches in the morning light, to the sunset where she gets a bit naughtier. Our photographer Marco follows her through this journey and captures her essence. Her beautiful latex accessories were handcrafted by Boul Z, a French artist from Lille.
